

December 2021

Dear Classmates:

I hope you all are doing well and staying healthy.

I've been in contact with several of you already about how – amazingly – the coming year marks our ~~tsy24~~MC5612 8CID 2

ahead of last year. Domestic applications are up 10% from 15 states. Indiana is up 12% in applications from its highest total in the last 5 years. And domestic applications from students of color represent 35.8% of the pool (a 5-year high).
